

Gregory Howison, JD

Partner

Munck Wilson Mandala LLP

Gregory (Greg) M. Howison is a partner practicing in the intellectual property group. Greg is a registered U.S. Patent Attorney with over 41 years of experience in IP law.

He specializes in the software, telecommunications, semiconductor industries, and E-commerce and has prepared and obtained significant patent coverage on a number of large telecommunications networks, voice messaging systems, video conferencing systems, semiconductor devices, neural network systems, and software systems. He also serves as a consultant to companies (both patentees and licensees) involved in patent licensing negotiations in the U.S., Japan, and China.

Prior to entering law school, Greg was employed for over nine years as a design engineer in the field of high-frequency communications, and digital and analog design.
