

Michael Marquez

CFO

Nanoscope Therapeutics

Michael Marquez joined Nanoscope Therapeutics early last year as Chief Financial Officer. He brings more than 19 years of strategic financial management, a successful track record of scaling growth companies and deep expertise in M&A, private and public equity financing.

Previously, Michael served as CFO at TearLab, a tear film diagnostic company that aids in the diagnosis of dry eye disease, where his efforts resulted in accelerated revenue growth with increased EBITDA profitability and a successful sale to a private equity firm.

Prior to TearLab, Michael was CFO of Global Surgical at Alcon, a leader within the eye care industry. He was responsible for driving revenue growth, the valuation and integration of key acquisitions, and the financial analysis of R&D investments. Michael began his career in public accounting with Price Waterhouse Coopers.
